Chairman's Statement

Even though the operating environment will remain unfavourable and we will be living with the effects of COVID-19 for another few years, I believe our Group has already demonstrated that it has the capabilities to emerge stronger.

Chairman's Statement

CEO's Management Discussion & Analysis

As these results show, in spite of the lockdowns and the redeployment of health resources that the sexual health industry has experienced during the year, there is room for optimism based on our ability to generate sales growth during this period.
