OUR VISION

**The best of
corporate reporting
and advisory**

OUR PURPOSE

**We are committed
to building trust in the
narratives and reports
that we meticulously
produce.**

Our dedication to providing insightful and high-quality services contributes to fostering trust and confidence in the organisations we engage with, both locally and across the region.

PEOPLE

People are at the heart of Nova's business and critical to our business success. We are committed to building a workforce that reflects a culture that is inclusive and one where people feel they belong.

Human Rights

At Nova, we consider respect for human rights to be a fundamental principle. In all our business endeavours, we strive to prevent, detect, and address any negative impacts on human rights. Here are the key areas where human rights are relevant to Nova:

Employees

Suppliers

Client work

ENVIRONMENT

At Nova, our dedication lies in creating an improved working world that embraces sustainable growth. We acknowledge our responsibility towards our employees and the communities we operate in, striving to minimise the environmental footprint of our business operations.

DATA PRIVACY

We value the privacy of individuals and businesses who engage with our company. When you choose to share information about yourself or your business, you trust us to handle that information responsibly.

DATA CODE OF CONDUCT

Our Principles at Nova, we are dedicated to the responsible collection, management, use, and safeguarding of data. This commitment extends to all stakeholders, including shareholders, clients, employees, suppliers, and consumers.

Our Practices

Transparency with Consumers

Compliance with Laws

Fair and Reasonable
Data Policies

Confidentiality
